**DECLARATION OF PAUL J. PASCUZZI IN SUPPORT OF SIXTH INTERIM
APPLICATION OF FELDERSTEIN FITZGERALD WILLOUGHBY PASCUZZI & RIOS
LLP FOR ALLOWANCE OF FEES AND REIMBURSEMENT OF EXPENSES AS
BANKRUPTCY COUNSEL FOR THE DEBTOR IN POSSESSION**

1 I, Paul J. Pascuzzi, declare:

2 1. I am an attorney duly licensed to practice law in the State of California and a partner
3 with Felderstein Fitzgerald Willoughby Pascuzzi & Rios LLP ("FFWPR"), the attorneys for The
4 Roman Catholic Archbishop of San Francisco, a California corporation sole, the debtor and debtor
5 in possession herein (the "Debtor"). If called as a witness, I would and could testify competently
6 to the matters stated herein.

7 2. I have been a partner of FFWPR since January 1, 1999. As such, I have personal
8 knowledge of my firm's billing policies and practices. I have read the accompanying sixth interim
9 application of Felderstein Fitzgerald Willoughby Pascuzzi & Rios LLP for allowance of attorneys'
10 fees and reimbursement of expenses (the "Application"), and to the best of my knowledge, all
11 statements are true and correct.

12 3. During the approximately four-month period of June 1, 2025, through and including
13 September 30, 2025 (the "Application Period"), FFWPR billed the Debtor for legal services in the
14 sum of \$186,252.00. The services performed by FFWPR during this case have been categorized
15 into task billing categories. A list of the categories used for coding and the amounts calculated for
16 each category during the Application Period is as follows:

CATEGORY	HOURS	FEES
Case Administration	5.30	\$2,676.00
Relief from Stay/Adequate Protection Proceedings	63.40	\$31,660.00
Meetings of and Communications with Creditors	23.00	\$13,785.00
Fee/Employment Applications	94.60	\$24,771.00
Other Contested Matters	29.60	\$13,085.00
Business Operations	1.20	\$690.00
Claims Administration and Objections	2.40	\$1,040.00
Plan and Disclosure Statement	1.40	\$690.00
General Bankruptcy Advice/Opinions	99.30	\$59,580.00
Settlement/Non-Binding ADR	41.10	\$20,040.00
Pleadings	9.00	\$5,400.00

CATEGORY	HOURS	FEES
Document Production	0.90	\$540.00
Appellate Motions and Submissions	23.20	\$12,295.00
Totals	394.40	\$186,252.00

4. The professionals in this case have taken steps to ensure there has been no improper duplication of efforts on services rendered. Certain professionals participate in a weekly coordination call to allocate tasks. Depending on expertise, availability and strategy, certain tasks are allocated to FFWPR and others to Sheppard Mullin. Generally, FFWPR has served as general bankruptcy counsel, and the Sheppard Mullin firm has handled the extensive discovery, with the assistance of special litigation counsel. At times there will be tasks that FFWPR and Sheppard Mullin lawyers both work on when overall case strategy is impacted, or other circumstances make that beneficial to the Debtor and estate. FFWPR has handled the monthly fee notices and interim fee applications for all the professionals other than Sheppard Mullin and TransPerfect (FFWPR has taken over preparation of TransPerfect's fee application starting with TransPerfect's third interim application being filed concurrently herewith), which is reflected in the Fee/Employment Applications category. In all, the Debtor's professional team has been working toward the goal of getting to mediation.

5. The firm did not charge for 9.90 hours of work with a value of \$5,652.50. Additionally, the firm wrote down work with a value of \$11,567.80, which is not shown on the bills, for a total of \$17,220.30. The blended hourly rate based on the billed hours is \$472.24. This is a very reasonable rate for a case as complex and difficult as the present Case.

6. For the Court's convenience, attached hereto as **Exhibit A** is a true and correct copy of FFWPR's chronological billing statements. A true and correct copy of FFWPR's ABA Task Summary Billing Report for the period covered by the Application is attached hereto as **Exhibit B** and is incorporated herein by reference. To the best of my knowledge, information, and belief, the time records referenced in the attached billing statements accurately reflect the actual time spent by the various timekeepers in performing the described legal services in this case.

///

1 7. Attached hereto as **Exhibit C** is a summary of customary and comparable
2 compensation prepared by FFWPR describing the blended hourly rates of the various categories of
3 timekeepers that provided services to the Debtor during the Application Period. The summary
4 gives defined terms used in this exhibit the same meanings ascribed to them in ¶ C.3 of the UST
5 Guidelines.

6 8. Attached hereto as **Exhibit D** is a copy of the “Attorney Fee Budget” agreed upon
7 by and between the Debtor and FFWPR. This exhibit also includes a comparison of budgeted to
8 actual fees sought during the Application Period. FFWPR is not submitting a detailed staffing plan
9 or summary of fees and hours budgeted compared to fees and hours billed for each project category
10 as this information is privileged and confidential.

11 9. During the Application Period, FFWPR incurred actual and necessary expenses in
12 the amount of \$2,319.37 as follows:

Category	Total
Out-of-Town Travel (Mediation)	\$2,016.23
Online Legal Research	\$302.45
Postage	\$0.69
Total Expenses	\$2,319.37

18 10. A true and correct copy of FFWPR’s Expense Report for the period covered by the
19 application is attached hereto as **Exhibit E** and is incorporated herein by this reference.

20 11. This is FFWPR’s sixth interim fee motion. The Court’s order on FFWPR’s first
21 interim fee application allowed interim payment of fees in the amount of \$308,251.00 and costs
22 incurred in the amount of \$3,212.76 for the period of August 21, 2023, through January 31, 2024
23 [ECF No. 618]. The Court’s order on FFWPR’s second interim fee application allowed interim
24 payment of fees in the amount of \$156,094.00 and costs incurred in the amount of \$99.08 for the
25 period of February 1, 2024, through May 31, 2024 [ECF No. 794]. The Court’s order on FFWPR’s
26 third interim fee application allowed interim payment of fees in the amount of \$136,940.50 and
27 costs incurred in the amount of \$800.90 for the period of June 1, 2024, through and including
28 September 30, 2024 [ECF No. 939]. The Court’s order on FFWPR’s fourth interim fee application

1 allowed interim payment of fees in the amount of \$125,128.00 (after Fee Examiner reduction of
2 \$162.50) and costs incurred in the amount of \$1,684.80 for the period of October 1, 2024 through
3 and including January 31, 2025 [ECF No. 1164]. The Court's order on FFWPR's fifth interim fee
4 application allowed interim payment of fees in the amount of \$214,196.00 (after Fee Examiner
5 reduction of \$1,000.00) and costs incurred in the amount of \$3,474.30 for the period of February
6 1, 2025 through and including May 31, 2025 [ECF No. 1335]. FFWPR received a retainer
7 prepetition from the Debtor, of which \$92,570.51 remained on the Petition Date. The Debtor has
8 paid FFWPR the fees and costs allowed by the first, second, third, fourth and fifth interim fee orders
9 from the retainer and payments from the Debtor. The retainer balance as of September 30, 2025,
10 was \$0.00.

11 12. With respect to the fees and costs requested by this sixth interim fee motion,
12 pursuant to the Order Establishing Procedures and Authorizing Payment of Professional Fees and
13 Expenses on a Monthly Basis [ECF No. 212], FFWPR has filed and served fee notices for June
14 2025 [ECF No. 1267], July 2025 [ECF No. 1298], August 2025 [ECF No. 1358], and September
15 2025 [ECF No. 1406]. No objections were received with respect to the June through September
16 2025 notices, although the deadline for objections to the September notice has not yet passed as of
17 the filing of this Application. Thus, FFWPR has received payments in the amount of \$99,506.00
18 in fees and \$1,529.39 in costs from the Debtor, allowed by the monthly fee notices for June 2025,
19 July 2025, and August 2025, such that it has been paid 80% of fees and 100% of costs for the
20 outstanding fees for that period. No payments have yet been received for September 2025 as of the
21 filing of this application. The unpaid 20% holdback together with the September fees and costs
22 total \$87,535.98.

23 13. With respect to Bankruptcy Rule 2016(b), FFWPR has not entered into any
24 agreement, express or implied, with any other party-in-interest, including the Debtor, any creditors,
25 or any representative of them, or with any attorney or accountant for such party-in-interest for the
26 purpose of fixing fees or other compensation to be paid for services rendered or expenses incurred
27 in connection with this case, and no agreement or understanding exists between me and any other
28 ///

1 person for the sharing of the compensation to be received for services rendered in, or in connection
2 with, this case.

3 14. I certify that to the best of my knowledge FFWPR has complied with the U.S.
4 Trustee's guidelines ("U.S. Trustee Guidelines").

5 15. I certify that: (a) I have read the Application; (b) to the best of my knowledge,
6 information and belief, formed after reasonable inquiry, the compensation and expense
7 reimbursement sought is in conformity with the Court Guidelines, except as may be specifically
8 noted in the Application or this Declaration; and (c) the compensation and expense reimbursement
9 requested are billed at rates, in accordance with practices, no less favorable than those customarily
10 employed by my firm and generally accepted by the my firm's clients.

11 16. With respect to the identity of the billers, the billing includes DLP, ASK, BLJ, and
12 LNL, staff members who billed to this matter. DLP, Denise Pascuzzi, is a legal assistant at FFWPR
13 and assisted with drafting pleadings as needed in this case. Her billing rate during the period
14 covered by this Application was \$125 per hour. ASK, Allison S. Kieser, is a legal assistant at
15 FFWPR and assisted with drafting pleadings as needed in this case. Her billing rate during the
16 period covered by this Application was \$105 per hour. BLJ, Brenda L. Jennings, is a legal assistant
17 at FFWPR and assisted with drafting pleadings as needed in this case. Her billing rate during the
18 period covered by this Application was \$105 per hour.

19 17. With respect to Project Billing, our firm changed billing programs in the last few
20 years from Time Slips to Bill4Time. Bill4Time utilizes the ABA Model codes for bankruptcy, and
21 each code has a description which is set forth in the Application for the Court's and parties'
22 convenience. We believe that the below described task codes comply with the U.S. Trustee
23 Guidelines and set forth below are some additional descriptions for how FFWPR has attempted to
24 move specific billings into task codes while preparing this fee Application.

25 a. The B110 "Case Administration" task code under the ABA model codes
26 includes, in addition to normal case administration matters, coordination and compliance matters,
27 including preparation of statement of financial affairs, schedules, list of contracts, United States
28 Trustee interim statements and operating reports; contacts with the United States Trustee, and

1 general creditor inquiries. In the past, FFWPR had a separate task code for “schedules and SOFA”
2 and monthly operating reports (“MOR”). If the Court requires a breakout of the billings for
3 schedules/SOFA and for MORs, Counsel will comply.

4 b. The B140 “Relief from Stay/Adequate Protection Proceedings” was used for
5 matters relating to termination or continuation of automatic stay under 362 and motions for
6 adequate protection.

7 c. The B150 “Meetings of and Communications with Creditors” task code was
8 used for preparing for and attending the conference of creditors, the 341(a) meeting and other
9 creditors’ committee meetings.

10 d. The B160 “Fee/Employment Applications” task code under the ABA model
11 includes both fee application time and employment application time. Previously FFWPR had
12 separate codes for fee applications and employment applications. If the Court requires these tasks
13 listed separately, Counsel will comply.

14 e. The B170 “Fee/Employment Objections” task code under the ABA model
15 includes review of and objections to the employment and fee applications of others.

16 f. The B190 “Other Contested Matters” task code under the ABA model
17 includes analysis and preparation of all other motions, opposition to motions and reply memoranda
18 in support of motions.

19 g. The B210 “Business Operations” task code under the ABA model includes
20 issues related to debtor-in-possession operating in chapter 11 such as employee, vendor, tenant
21 issues, and other similar problems.

22 h. The B310 “Claims Administration and Objections” task code under the ABA
23 model includes specific claim inquiries; bar date motions; analyses, objections, and allowances of
24 claims.

25 i. The B320 “Plan and Disclosure Statement” task code under the ABA model
26 includes formulation, presentation, and confirmation; compliance with the plan confirmation order,
27 related orders and rules; disbursement and case closing activities, except those related to the
28 allowance and objections to allowance of claims.

1 j. The B410 “General Bankruptcy Advice/Opinions” task code under the ABA
2 model includes analysis, advice and/or opinions regarding potential bankruptcy related issues,
3 where no bankruptcy case has been filed.

4 k. The L160 “Settlement/Non-Binding ADR” task code under the UTBMS
5 model includes planning/participation in settlement discussions/conferences; implementation of
6 settlement; pursuing mediation; travel to/from mediation; attend mediation; pre-litigation demand
7 letters; research settlement; communications regarding settlement/mediation/ADR.

8 l. The L320 “Document Production” task code under the UTBMS model
9 includes developing, responding to, objecting to, and negotiating document requests, including the
10 mandatory meet-and-confer sessions to resolve objections. It also includes identifying documents
11 for production, reviewing documents for privilege, effecting production, and preparing requested
12 privilege lists; drafting responses to request to produce; subpoenas and reviewing subpoenaed
13 documents.

14 m. The L510 “Appellate Motions and Submissions” task code under the
15 UTBMS model includes researching issues related to the appeal, preparing and reviewing motions
16 and other filings for the appellate court, drafting and filing responses to motions, arguing motions
17 and other filings in court, preparing and filing a Notice of Appeal, and designating the appellate
18 record, which includes the documents from the lower court.

19 18. In accordance with UST Guidelines for Large Cases, FFWPR prepared budgets and
20 staffing plans for period during the application which were reviewed with and approved by the
21 Debtor.

22 19. As required by the UST Large Case guidelines, FFWPR provides the following:

23 a. FFWPR did not agree to any variations from, or alternatives to, its standard
24 or customary billing rates, fees or terms for services pertaining to this engagement that were
25 provided during the application period.

26 b. If the fees sought in this fee application as compared to the fees budgeted for
27 the time period covered by this fee application are higher by 10% or more, did you discuss the

28 ///

1 reasons for the variation with the client? No, the fees requested were substantially under the fees
2 budgeted for the time period.

3 c. Have any of the professionals included in this fee application varied their
4 hourly rate based on the geographic location of the bankruptcy case? No.

5 d. Does the fee application include time or fees related to reviewing or revising
6 time records or preparing, reviewing, or revising invoices? No.

7 e. Does this fee application include time or fees for reviewing time records to
8 redact any privileged or other confidential information? Some time was incurred to double check
9 all billing statements of all professionals (other than Sheppard Mullin) for survivor names. This
10 service is out of respect for the privacy of the survivors, which FFWPR submits is a proper double
11 check and expense of estate resources.

12 20. FFWPR notes that the time it spent on its own first interim fee application complied
13 with this Court's Guidelines for Compensation and Expense Reimbursement for Professionals and
14 Trustees at I (6). The total amount of FFWPR's second interim fee application was \$156,193.08.
15 The amount spent on preparation of FFWPR's second interim fee application was \$6,324.50, which
16 did not exceed the five percent guideline. The total amount of FFWPR's third interim fee
17 application is \$137,345.50. The amount spent on preparation of FFWPR's third interim fee
18 application was approximately \$5,500.00, which does not exceed the five percent (5%) guideline.
19 The total amount of FFWPR's fourth interim fee application was \$125,290.50. The amount spent
20 on preparation of FFWPR's fourth interim fee application was approximately \$5,000.00, which did
21 not exceed the five percent (5%) guideline. The amount spent on preparation of FFWPR's fifth
22 interim fee application was approximately \$5,000.00, which did not exceed the five percent (5%)
23 guideline. Likewise, the total amount of fees requested by this sixth interim fee application is under
24 \$5,000.00, which also does not exceed the five percent (5%) guideline.

25 21. The fee application does include rate increases since retention: FFWPR hourly rates
26 were adjusted effective February 2024 by the filing of an appropriate notice at ECF No. 402 and
27 January 1, 2025 by the notice at ECF No. 928.

28 ///

22. I respectfully submit that all the billings and expenses have been reasonable and necessary in this case and respectfully request that they be approved.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed on October 21, 2025, at Sacramento, California.
